

Friends,

We are looking forward to welcoming some of you back to in-person worship on Sunday October 11th at 9:00 am. We encourage at-risk individuals to worship online. A prerecorded online service will continue to be sent out each week.

### **ENTERING AND EXITING THE BUILDING:**

- Wear a mask at all times. (We have plenty of masks if you forget.)
- Please use the doors at the main entrance off the parking lot. (East-facing doors)
- Please sign in at the entrance (if you did not previously RSVP).
- Hand sanitizer will be available as you enter and exit the building.
- Your temperature will be checked. A 100.4+ temperature and you will be asked to worship online for that week.
- Please refrain from gathering with friends in the narthex or sanctuary before or after service. These types of gathering will make it difficult for those entering and exiting the building/sanctuary to maintain proper social distancing.
- Please take time to fellowship outside before and after the service while maintaining an adequate distance.
- The learning center (south door) and kitchen entrances will not be open. We want to be respectful of the daycare's cleaning protocols.
- If you are experiencing a cough, shortness of breath or have been exposed to someone that has Covid-19, please do not come to worship.

### **WHILE IN THE BUILDING:**

- Please refrain from entering any rooms beside the sanctuary (restrooms are the exception), but especially the following rooms as the learning center is temporarily using them: Sonshine Room, Youth Room, Meeting Room, and the Treblemakers Room.
- The Sunday school/learning center rooms and nursery will not be open. Small groups are encouraged to continue meeting outside or online at this time.

- Nursery care, children and worship, and children's Sunday school will be unavailable. Stacy Kerr will arrange individual busy bags for those who would like one.
- We will not be offering coffee and ask that no outside food and or beverage be brought in unless absolutely necessary. The services will be shorter!
- We have men's, women's, and one handicap restroom available for us. Please note signs on the door as one handicap restroom is reserved for the FUM Learning Center staff. Please respect our shared usage of the building.
- Please refrain from talking in groups while in the building. You are welcome to fellowship outside while maintaining a distance. The pastors will gather in the prayer garden after the service and will be available for conversation.

### **THE WORSHIP SERVICE:**

- Worship will be different, but we know that God is with us!
- At this time no singing or responsive liturgy will be provided. We will do our best to worship with other creative elements.
- Services will be shorter in length and likely be more traditional in style at this time.
- Some services will include prerecorded video elements.
- There will be an offering plate in the narthex area. You can place your offering in the plate or give online.
- If you have a prayer concern, please contact the office or the pastors in advance as prayer cards will not be available.
- Refrain from shaking hands or hugging. Please maintain a physical distance from others. (I know this so hard!)
- Sit with only those from your household or those with whom you have regular non-distanced contact . The pews will be marked. (Your "regular" spot may not be open - it's okay!)
- An online bulletin will be emailed out each week and posted to Facebook.
- Communion (first Sundays of the month) will be in pre-packed containers.
- Please refrain from gathering in a group following the worship service. The Pastors will be outside following the service.
